DR. B. P. WATSON

CONSULTATION HOURS, 12 TO 2
AND BY APPOINTMENT

TELEPHONE COLLEGE 3938

14 MADISON AVENUE

TORONTO

Oct. 3rd 1914

President R. A. Falconer,

University of Toronto.

Dear President Falconer,

I have a note from your secretary asking my opinion regarding a request from the Western Hospital that Dr G. Gordon Copeland be appointed to the Department of Gynaecology & Obstetrics in the University.

I understand that Dr Copeland has been appointed assistant obstetrician at the Western Hospital under Dr Macdonald. He has had a good training in the subject & will, I think, make a good teacher. I would suggest that he be appointed in obstetrics to the same position as has been given Dr Clutterbuck & Dr Wesley in Gynaecology. The obstetrical department at the Western is in process of reorganization & it is doubtful if any teaching can be done there this session so that if the University thought it expedient the appointment might be held over till later.

Yrs faithfully

B. P. Watson

November 13th, 1914

Professor Watson,

14 Madison Avenue, Toronto.

Dear Professor Watson:

I feel sure that Dr. Clutterbuck's appointment will be kept for him in the University. I am sending your letter on to the Board.

Yours sincerely,

President.

April 7th. 1915.

President R. A. Falconer,
University of Toronto.

Dear President Falconer:-

I am informed by the Bursar that the name of Dr. R. W. Wesley does not appear on the list of appointments of my Department for the current session.

Dr. Wesley has been doing the work in Gynaecology at the Western Hospital throughout the session, and I cannot understand how his name can have been omitted. I trust that there is yet time to have the matter put right.

I am,

Yours faithfully,

B. B. Watson
